F G C Am

And I'll forever be in debt forever to the place we met

VERSE TWO

With one path, no multiple choice
there was only one true voice
with friendly dominoes and nasty foes
my regret or my rejoice
we go down deep inside a cave
in my mind it is engraved
my old life is gone how can I go on
reborn riding a new wave

VERSE THREE

that I still breathe it is my prize
I can see I have my eyes
you know I want to shout I'm still without
I'm still waiting for reprise
Every day I'm reborn again
and for that I say Amen
I'm waiting for a cure a love so pure
could it come from my own pen
